Please Provide any other suggestions, comments or any other topics you wish to suggest for a future talk/ workshop?

Good

Well

I love the way of interaction and liked the way of demo practice

Very informative

Very Interactive Session

This workshop was very amazing to attend, very insightful and understandable demos where given about the instruments chosen, a lot of care was taken

Very informative and good

Demos were very effective

It good for all the students to enhancing knowledge

Good communicating and explained all things very well..

Overall it was good experience

It was so informative

It's really good workshop very informative about start-up

Excellent,more satisfaction with lot of knowledges about your equipments

Overall the workshop was pretty good and informative. The tour of the venture campus was amazing and the start-ups buddies that came to share their ex

It was excellent experience. Got to see and learn new techniques and skills.

It's excellent

Excellent
