<b>Please provide your feedback for the workshop</b>			
Great learning experience. Would like to know it in details			
Excellent			
This workshop helped us to explore the ecosystem that works behind every innovation coming to the end users.			
Excellent work shop.. Very well planned and executed..			
The IPR components have been an eye-opener. I had not realised that I could copyright the materials I have designed till now. Will start working on it.			
Excellent programme. Provided insightful and perspective to my thought process.			
Yes very good... got to know many things about IP filing ... how to work on the idea			
Workshop was an eye opener regarding how we can go about. It will surely help us to streamline our projects.			
<b>Please Provide any other topics you wish to suggest for a future talk/ workshop?</b>			
More startups/ innovations in rehab field			
How to do a good quality innovations?			
Entrepreneur skill development			
More of copyright and patent process			
Funding options and how to apply for funding			
More information on IPR as required through the mentoring sessions			
Proposal writing			
As I go through the process,will be able to tell			
<b>If you have any other suggestions, comments, etc., please share them below.</b>			
Would like to attend more workshops for better perspective for innovations.			
Overall nicely worked up on. Nice speakers.			
No suggestions.. It was very informative			
I loved the hospitality. Thank you!			
Very well organised.			
Please include proposal writing			
<b>Please Provide details and questions for which you want mentoring.</b>			
Mentoring related to app development			
Funding of research projects			
Will discuss about an assessment concept I have been thinking about			
How to work on idea, IP registration			
Will avail mentoring session for making instrument which we help pleural effusion patients.
