Startups are a special category of businesses

Every business has 3 key elements:

- It is able to create a solution to meet an unmet need
- There are customers who believe the solution and are willing to pay for it
- It has a revenue to cost and eventually earn more money than it spends

Startups are high risk - high reward businesses that focus on high opportunities to create financial, social, environmental and well-being benefits for customers.

Startups are a special category of businesses

A man in a dark blue shirt and light-colored trousers is standing and speaking to an audience. He has his hands raised in a gesturing motion.

VENTURE CENTER
Seeding Tomorrow's
Enterprises Today
www.venturescenter.in

An audience of approximately 15-20 people is seated in red chairs, facing the speaker. They are attentively listening to the presentation. Some individuals are holding papers or notebooks.

Startups are a special category of businesses

Startups are a special category of businesses
Startups have 3 key elements:
1. They solve a problem or meet an unmet need
2. There are customers who desire the solution and are willing to pay for it
3. They have to cover its cost and eventually earn more money than it spends

Startups are high risk - high reward businesses that focus on future opportunities for impact (financial, social, environmental etc) with potential to grow rapidly if successful.
